This is my final fax before I await your assistance that mention to a quasi promise as a law enforcement agent of civil order onto a native born resident of the City and San Bernardino.

I must DEMAND that you provide an APOLOGY in WRITING from the attitude that draws me to not be able to fully trust your motives. You might be taken back that I can provide a narrative such as I have.

Even if these are projected out of the extraordinary case of persecution and continued demand of a forum to reconcile these in the all honest truth...

That what I claim on your end --- it is satire on my writing that is how I receive this story -- because the ties that bind you to hold the hate paradigm must be broken.

Anything that defends the STATUS QUO is wrong when you take the evidence that is actually documented to the experiences of over 10 years dealing with the message of "Go Fuck Off And Die" before the establishment will grant an empowerment model of pathway to walk together united.

Divided we all fall -- is the outcome of this hate conspiracy remaining unchallenged and not reprimanded.

Graphic:

"If you have to SNEAK to do it, LIE to cover it up,

or DELETE it to avoid it being seen then maybe you

SHOULD'NT be doing it anyway" -- goes to the message that I am proud of my digital footprint even if misunderstood by the prejudice of those who can't hold themselves to their Christian values.

Make an adjustment to Help Thy Neighbor that is within "The Disinterestedness of Christ's Sympathy" written in 1862 by Octavius Winslow.

No where in the Bible does is Homosexuality placed as sin. A myth that you will not believe. You have been falling a false narrative to defend this hate conspiracy on "moral grounds" that homosexuality is not a natural state of sexuality along with gender assignment as a spread spectrum of diversity of our common humanity.

Hate has no function or purpose in culture, community and greater society allowed to remain active without this truth accepted.

## The Bible does not condemn “homosexuality.” Seriously, it doesn’t.

*The word “homosexuality” didn’t even show up in English translations of the Bible until 1946, so why do we say the Bible condemns it?*

“Bible with Awareness (Beibl gydag ymwybyddiaeth)” by [Andrew Craig Williams](#)

Billy Graham’s son is terrified that President Obama and a whole host of

us have chucked out our Bibles in order to support marriage equality. This week he was at it again on Facebook, railing against “the assault on biblical marriage,” referencing California lawmakers who want to amend federal law by striking gendered language pertaining to two partners in a legal marriage. Franklin, son of Billy, even goes on to make the Biblically inaccurate comment that “The One who created marriage defined it as between a man and a woman.” I wish he would read my post on this and then re-read the Bible.

Brother Franklin, even thinks that President Obama should invest in more lightning rods in case God strikes the White House in fiery wrath.

This is laughable if it weren't so powerfully sad. Here's the thing, Franklin: you need to read your Bible better. The sooner you do, the more and better work you can do in Africa and elsewhere with Samaritan's Purse. We need your time focused not only on poverty but in addressing America's original sin of racism. We need all you got for those fights. It's time to end the culture wars and fully focus on the war against poverty, racism and injustice in our world.

Jim Wallis, founder of Sojourners, a mentor in the faith, talks about the early days of gathering his new community, coming out as Evangelicals during the Vietnam crisis, going back to the Bible for help and guidance.

*One of our first activities was finding every verse of scripture about the poor, wealth and poverty, and social justice. We found more than 2,000 texts that we then cut out of an old Bible. We were left with a “Bible full of holes,” which I used to take out with me to preach.*

Over 2000 Bible verses on poverty. On money. On the rich and poor.

And those 2000+ verses give us some basic instructions for life on earth, that could be summed up in the ancient wisdom of a prophet 700 years before Jesus of Nazareth:

*He has told you, O mortal, what is good; and what does the Lord require of you  
but to do justice, and to love kindness, and to walk humbly with your  
God? — Micah 6:8*

And yet, all anyone wants to talk about these days are six Bible verses that “condemn homosexuality.” Here’s the thing — they don’t.

And we need to accept that so we can get back to the more important things.
